

Our Marketing team is looking for an intern to help out next semester. We are looking for a rock star Mass Comm student who is interested in working with our team at Community Hospital. We plan to work with Mesa County to get this internship paid. Hourly rate would be \$20 with Flexible hours Monday – Friday!

Are you also able to share this with the point person for the Mass Comm department?

Below are the following duties and requirements we are looking for!

Join our team and gain real-world experience while working on exciting projects like:

- Assisting with graphics design
- Assisting with website updates
- Helping out with admin tasks
- Printing flyers, making copies, and keeping things running smoothly
- Lending a hand to hospital departments with minor tasks

What We're Looking For:

- Proficiency in Adobe InDesign
- A Senior majoring in Mass Communications (almost there—let's finish strong!)
- A positive attitude and willingness to dive into a variety of tasks

This internship is your chance to build your portfolio, sharpen your skills, and have some fun while doing it. Interested? Apply now and let's make magic together! ✨

Apply on our careers or reach out to me with any additional questions. We hope to start interviewing soon!
