

EL POMAR FELLOWSHIP

A launchpad for developing the next generation of Colorado's leaders

A two-year, paid
FELLOWSHIP
for Colorado's young professionals

WHO WE ARE

El Pomar is a private foundation established in 1937 to enhance, encourage, and promote the current and future well-being of the people of Colorado. In 1991, we created our Fellowship program for recent college graduates and early career professionals to support the pipeline of leaders in Colorado. Our two-year paid program goes by quickly, but is the launchpad for lifelong impact. You will obtain invaluable learning opportunities and networking through direct exposure to Colorado's philanthropic and nonprofit arenas.

80% PROGRAM WORK

- As a Fellow, you'll work with the Foundation's leadership team and staff to help oversee and execute the work of our leadership development, community engagement, and administrative programs.
- Each Fellow supports the work of multiple programs, and every Fellow's experience is different. You'll use and develop a core set of skills, including:
 - » project management
 - » event planning
 - » grant making support
 - » communications
 - » delegation
 - » networking

20% PROFESSIONAL DEVELOPMENT

- A key component of the Fellowship is professional development. Through an intentionally designed curriculum, you'll develop your soft skills and have the opportunity for continuing education certifications and courses.
- Additionally, you'll gain from our cohort model, which gives each class of Fellows the opportunity to learn, grow, and develop as a community of young professionals.
