

Stacie Schleicher About Me:

I graduated from Mesa in May of 2008 and began working for IRS in September 2008 as a Revenue Agent. I took a promotion into management in January 2018 and have managed groups in California, Washington, Montana, Wyoming and most of Colorado. I did take a detail in February 2024 for a few months with our appeals and courts division and teach for the service 2-3 times a year. I currently handle the revenue agent in all of Montana and the Grand Junction office.
