**CMU Tech Curriculum Committee**

**Agenda**

Tuesday, February 11, 2025

Kayenta Hall, Room 150, 3:30-5:00pm

I.     **Announcements**
    A.  Reminder that CIM closed on December 20 for all proposals. Please do not rollback any proposal to the initiator, as they will no longer be able to resubmit it into workflow.

II.    **Unfinished Business**
    A.  None.

III.   **Ex-Officio Reports**
    A.  Associate Vice President of Academic Affairs for Assessment and Accreditations
    B.  Registrar
    C.  Financial Aid
    D.  Library
    E.  Catalog Description Reviewer
    F.  Essential Learning

IV.    **Curriculum Proposals**
    A.  See page 2 for curriculum proposals.

V.     **Information Items**
    A.  The Executive Committee is seeking feedback from the representatives. Now that CIM is closed, would anyone object to a mass clean-up of "old" proposals that were not submitted into workflow? Lisa Bessette will ensure any current proposals (those worked on this academic year) are saved as a Word document before shredding. This clean-up would help simplify the catalog publication process, as unsaved changes in non-submitted proposals still appear during the editing process. While these changes do not appear in the final catalog publication, they can cause confusion during editing.

VI.    **New Business**
    A.  None.

VII.   **Adjourn**

# CMU Tech Curriculum Committee Proposals

# February 11, 2025

To view the red/green mark-up of the proposals, please use this link to bring you to the CMU Tech approval queue:
