Description CMU will engage a Software (SW) Vendor and System Integrator (SI) Vendor

CMU will engage a Software (SW) Vendor and System Integrator (SI) Vendor to implement an HR and Finance Enterprise Resource Planning (ERP) system, starting early 2025. CMU seeks Vendor(s) who have prior experience implementing Software as a Service (SaaS) HR and Finance ERP solutions in the Higher Education industry. CMU defines ERP as a solution that includes the core HR and Finance capabilities necessary to maintain its business operations and complete this HR and Finance Transformation effort. In addition to HR and Finance functions, this request also includes a request for Procurement-related capabilities. The University's HR and Finance Transformation effort must position the institution to leverage ever-evolving Transformation effort must position the institution to leverage ever-evolving technologies that not just re-implement current business processes but reimagine their approaches to deliver business outcomes.
