

**Residence Life Showroom Agreement Fall 2024**

**This form is to be completed by all students who live in a Colorado Mesa University (CMU) residence hall showroom.**

A showroom is a room prospective students and visitors may tour when accompanied by a CMU staff or student staff member. Showrooms will be utilized during all campus visitation programs (ex: Mesa Experience, Orientation, etc.) as well as during campus tours and individual visits. On days other than when there is a scheduled event, CMU will attempt to contact the student (the student is responsible for communicating with roommates/suitemates) by phone as soon as a tour has been scheduled. Notification may be as late as while walking to your room and the tour will occur even if you are not reachable. Students and their roommates/suitemates should not be present while the tour is coming through their room.

Showroom residents are expected to:

- Be willing to have your room/suite shown at any time with or without notice, unless there is an extreme circumstance that has been communicated to Residence Life.
- Keep your room/suite in clean, showable condition at all times.
- Ensure your roommate/suitemates comply with all Residence Life policies. For example, no candles are permitted in a Residence Hall. If you are unsure if something is allowable, please ask!
- Ensure your room/suite is free from any odor that could be considered offensive or inappropriate, including the smell of alcohol and marijuana.
- Notify your RA and Residence Hall Coordinator if a roommate or suitemate is in violation of any CMU/Residence Life policy or prohibits your room or suite from being appropriate as a showroom.
- Prior to requesting a room change, contact your Residence Hall Coordinator or Residence Life and identify yourself as a showroom resident prior to requesting a change to your housing assignment. If you are permitted a room change, the scholarship will be revoked in full.

Showroom resident's roommates/suitemates must agree to keep the room showable and agree to have it shown at any time. Roommates who do not wish to live in a showroom should contact Residence Life for a new housing assignment. If a resident of a showroom does not fulfill the above expectations, they are at risk of losing their scholarship and it will not be prorated.

**Scholarship Terms:**

**\$1,500.00** per semester will be awarded to each student in the chosen showroom who choose to participate.

**\$500.00** per semester will be awarded to each student in the chosen showroom who would not like to participate, but is willing to shut their door and be out of the common areas during tour times. This student must also agree to abide by all Residence Life policies (i.e. no alcohol/marijuana, candles, hoverboard, etc.)

**I understand I am assigned to a Colorado Mesa University residence hall showroom and agree to adhere to the expectations listed above.**
